(A Company incorporated under Section 8 of the Companies Act, 2013)

Notes to the Financial Statements for the year ended 31st March'2024

1 General Information

Relief and You Foundation ('the company') was incorporated on 30th October 2021 under section 8 of Companies Act' 2013. The company is primarily engaged in the following activities on non-profit basis:

To open, found, establish, promote, setup, run, maintain, assist, finance, support, and/or aid or help in setting up, maintaining, rendering or proving lifesaving equipment, medical facilities, running hospitals, charitable dispensaries, child welfare centres, convalescent homes and other similar institutions or centres for rendering or proving medical relief and/or aid to the suffering humanity or for research centres and institutions for promotion of research and education for medical science.

2 Significant Accounting Policies

2.1 Basis for Preparation of financial statements

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.2 Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements

2.3 Revenue Recognition

Donations are recognized as income as and when same is received.

2.4 Income Tax

Tax on income for the current year is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961, and based on the expected outcome of the assessment.

2.5 Accounting Policies have been given to the extent applicable during the period. Other points are either nil or not applicable
